The screenshot shows the website header for STPI (Science & Technology Policy Research and Information Center). The navigation bar includes '我的檔案' (My Profile), which is highlighted with a red box. Below the header, there is a section titled '通過您的應用程式存取您的訓練!' (Access your training through your application!). This section is divided into two main steps:

- 1 下載 MY LEARNING** (Download MY LEARNING): Instructions to download the app from the App Store or Google Play.
- 2 啟動存取權限** (Enable access permissions): Instructions to enter an activation code on the device to enable permissions. A red box highlights the '啟動代碼' (Activation code) input field, and a blue button labeled '啟動' (Enable) is visible next to it.

Below step 2, there is an alternative option: '掃描此 QR 碼' (Scan this QR code), which is noted as being '僅適用於 Android 裝置' (Only for Android devices). A QR code is provided for this option.

登入您的 CrossKnowledge 帳戶。在「管理應用程式」頁面 (右側功能表頂部)，輸入此啟動代碼：
