Search E-Resources (Databases, Journals..etc) via E-Resources Gateway.

E-Resources

Welcome to the e-resources of National Cheng Kung University Library. To access the system, please click on the link below.

- [E-Resources Gateway](#) 中文

NCKU library has launched a new E-resources system, including databases, e-journals, medical e-journals, etc. This is a new system. If you have any question, please contact us.

- [Meta-search system](#)

Meta-search system allows users to issue one simple keyword search that takes place on multiple databases. This system is recommended for searching journal articles, dissertations, patents and standards, e-books, news and other collected information. This system or e-Journals system is recommended.
